The Citizen.

HERE AND THERE

Willard Richards has arrived safely such sutertained by Mr. Richards' stories d Mexican experiences, and book forward Regular meeting of the Township Con-

App Pinshurst, Holderness, N. H. Mr. N Bovee, Jr., we are all glad to learn, chased a fine large camp in the he perchased will bereafter spend his commers in hunting and fishing. Our former townsman, Mr. Howell, who is quite

pleasant one, of sleeping on boughs and during the week. soking one's food on spits. This is indeed the old style way, but time has changed this at it has so many other things. now are often pretty and tasteful houses, built on a wooded knoll near some sheet of ester. The houses, with their large yerandas and great open fire places, are as comfortable as they are picturesque. We confess to a preference for the new way of ed at camping out, and would advise out renders night. f they get the opportunity to try it.

trees in our village. Last summer we tortunately exceped them and it was hoped they had left us not to return ; but it seems not The Agricultural Department at Washington has, we understand, been unable to find an effective ramedy for these pests. Stringent measures should be taken, however, to lessen in every way possible the. harm they do our noble trees.

During the last spring and early summer, service are so welcomed and are so largely than they are; Those black ourds, the blackbarries, are now appearing upon them. The berries when saten from the bushes possess a flavor which they seem to lose before they are placed upon the table. Berries at the picking are the sweet, est. The mentioning of berries reminds as of a story told of Matthews, the famous English comedian. Matthews had a butch er by the name of Berry, who persisted in day he chanced to see the butcher coming to present his bill. Matthews rushed out and to the butcher's great astonishment mid: "You hand in your bill, Berry, before it is due, Berry; your father, the elder Berry would not have been such a goose, Serry; you need not look so black, Berry, ter I don't care a straw, Berry, and you to Rockaway on Wednesday. won't get your bill, Berry, before Christmas, rry." That butcher must have looked up-Matthew's dwelling as a slaughter house.

g us strenuously objected at first to the horse cars on Broad street. It would be difficult now to find one who does not regard them in the light of a blessing For those who live in the Morris neighbor bood and are obliged to come to the Centreor to the depot, they have become well nigh new house on State St. for Mr. Frederick upon them relates to their running time. The schedule time should be so arranged as to have the cars meet the trains more con. eniently than they do. We suggest then that the time table be so changed as to bring about this desired result.

A horse car conductor in Chicago named his car "True Love," because the course of true love, he said, never did run smooth. This name would well become many a car in which we have been jolted and tossed sbout. Shakespeare's question, "What's n a name," world in this case be answered by the word, much. Had the great William can that rate between here and Newark, he would have thought, no doubt, that such a name for such a thing was full of signif-
